LETTER OF RECOMMENDATION - JOEY STUCKEY

To Whom It May Concern,

We had the pleasure of inviting Joey Stuckey to speak at our seventh edition of the global event 'Music Cities Convention', which was held in Lafayette, Louisiana in October 2018.

Joey joined a panel on the topic of 'How Can Music Make Cities Fairer' alongside distinguished speakers from across the USA. Joey was an excellent addition, contributing regularly and thoughtfully on the panel as well as joining and contributing to the full two day schedule of talks and evening events.

We've had 400+ speakers from 5 continents join us at our events and Joey is up there with the best speakers we've included in our programmes, so I would highly recommend booking him for your event.
