JOEY STUCKEY TRIO/In the Shadow of the Sun: Melodic hard rockers with Randall Bramlett and Al Chez in tow, it don't have to hit the charts these days to be hit calibre. Solid mainstreamers that hit the nail on the head, this is what killer bar bands used to sound like. With a cute nod to the past that inspired this, there are a complete set of stereo and mono mixes on board.  
(Senate)
